La Palma's Largest Employer Named One of 2019's Best-Managed Companies

LA PALMA, Calif. – As La Palma's largest employer with an office located at 5355 Orangethorpe Avenue, Automatic Data Processing, Inc., commonly known as ADP, was recently ranked 62nd out of the top 250 best-managed companies in America for 2019 by Claremont Graduate University's Drucker Institute in partnership with the *Wall Street Journal*. ADP provides HR solutions, including electronic payroll systems, in more than 140 countries.

The ranking, which measures and defines corporate effectiveness as doing the right things well, is based on five dimensions of corporate performance: customer satisfaction, employee engagement and development, innovation, social responsibility, and financial strength.

"I am thrilled to hear that ADP has been ranked in the top 25% of America's 250 best-managed companies," said Mayor Peter Kim. "As the City's largest employer, we are extremely thankful to have such a well-regarded company in La Palma."
