

Arbor Day Celebration

Kindergarten Coloring Contest

Theme: Trees are Terrific!

Trees help our environment; they provide food, shade, shelter and recreation. Crisp apples; juicy oranges and plump cherries all come from trees. If you could plant an imaginary tree, what kind of tree would you plant? All Kindergarteners are invited to participate in the Arbor Day Coloring Contest. Use your imagination and color the tree on the back as your imaginary tree. Don't forget to tell us what kind of tree it is. First, second and third place will be awarded in each grade level.

Guidelines:

- One entry per child
- Use crayons, felt-tip markers, or colored pencils only
- No help from older children or parents
- Entries will be judged on creativity, neatness, and inclusion of theme.
- Teachers: Classrooms submissions will be returned to the schools between April 29-May 3, 2019.
- Parents: Individual submissions can be picked up from the Community Services Office April 29-May10, 2019.

Awards will be presented at the Arbor Day Celebration on Tuesday, April 23, 2019 at 4:00 p.m. in Central Park.
