**CITY OF LA PALMA, CALIFORNIA**

**October 15, 2019**

**NOTICE OF CANCELLATION**

**WALKER WELL REHABILITATION PROJECT**

**CITY PROJECT NO. 19-WTR-01**

---

This letter shall serve as notification of the City's decision on October 15, 2019, to cancel the solicitation of bids for the Walker Well Rehabilitation Project, City Project No. 19-WTR-01. The City is re-assessing the current impact of production difficulties in obtaining NSF certified pump column assemblies including bowls and strainers for this project and has determined that it is in the City's best interest to cancel the solicitation at this time.

The City plans to re-advertise the project later this fall/winter 2019, with project award and work starting in March 2020.

The City appreciates and understands the work responding firms have completed in preparing a response for the above mentioned Solicitation of Bids and apologizes for any inconvenience this cancellation may cause. The City will not be accepting any Bids for this project at this time. We have created a list of those firms who responded with interest and will include them in the future bid solicitation distribution pertaining to this project.

If you have any questions regarding this cancellation, please contact City Engineer, Douglas Benash, PE, at 714.640.3310, or email [cityengineer@cityoflapalma.org](mailto:cityengineer@cityoflapalma.org). Thank you for your interest in doing business with the City of La Palma.

Sincerely,

A handwritten signature in blue ink that reads "Michael S. Belknap".

Michael S. Belknap  
Community Services Director
